HST Note: With the implementation of the HST, combined with the yearly ice fee increase from our supplier for this season, our ice fees have unfortunately increased by almost 10%. To remain competitive, the LSC has aligned our expenses in order to hold the overall fee increases below this amount for the coming winter season. Broken down to a per hour rate, including costs for group coaching, LSC costs remain highly competitive. Thank you for your continued support of the LSC!

On line Registration highly recommended or mail or drop off to the London Skating Club

On-line: www.londonskatingclub.com
 Mail: London Skating Club, PO Box 9011, Sub Stn 40, London, ON, N6E 1V0
 In Person: drop off at LSC Office located at Earl Nichols Arena, 799 Homeview Road

There will be no skating up or down.

London Skating Club Home Club skaters will be given priority registration until September 8, 2010!
