Day Ice packages will be offered separately. Check LSC website/bulletin board for more information.

HST Note: With the implementation of the HST, combined with the yearly ice fee increase from our supplier for this season, our ice fees have unfortunately increased by almost 10%. To remain competitive, the LSC has aligned our expenses in order to hold the overall fee increases below this amount for the coming winter season. Broken down to a per hour rate, including costs for group coaching, LSC costs remain highly competitive. Thank you for your continued support of the London Skating Club.

THERE WILL BE NO SKATING UP OR DOWN. LSC HOME CLUB SKATERS WILL BE GIVEN PRIORITY REGISTRATION UNTIL SEPT 8, 2010.
