Skating Qualifications

CanSkate: Skate Canada's Learn to Skate program, for children and adults

Skate Canada's flagship learn-to-skate program, designed for beginners aged 3 to adult. CanSkate focuses on fun, participation and basic skill development.

Group lessons are provided by NCCP certified Skate Canada coaches. CanSkate skills are divided into stages. Skaters are placed into groups according to their age, skating ability, and the stage(s) they are working on. Skills are assessed on a continuous basis, with badges/ribbons are awarded when all the skills at a particular stage have been achieved.

Required equipment:

- CSA approved hockey helmets are MANDATORY and face masks are highly recommended for ALL CanSkate sessions (including Adults/Teens, and Parent & Tot) until completion of CanSkate Stage 5.
- Hockey equipment may be worn once skaters can move comfortably on the ice. Check the website for a list of coaches who are available for private lessons if parents wish additional instruction for their skater.

Parent and Tot PreCanSkate: For skaters 3 to 5 years of age, with little or no skating experience, with the assistance of a parent/guardian/caregiver. Skaters are introduced to the basics of skating in a fun, friendly manner. Session includes a short off-ice warm-up to further develop the skating fundamentals. Skaters may progress directly into the main CanSkate program upon mastering the Parent and Tot program.

Requirements for parent/caregiver:

- The parent/caregiver (adult) must be over the age of 18, and comfortable enough skating to assist their child on the ice. The parent/guardian must be on the ice with the child at all times.
- BOTH child and adult MUST purchase a Skate Canada membership (adult membership added upon registration in ADULT portion of program).
- ONE parent/guardian must register for EACH child on the ice, and the same adult must assist each week as the Skate Canada membership is non-transferrable.

PreCanSkate: A learn to skate program for children 3 to 5 years of age, with little or no skating experience. Skaters are introduced to the basics of skating in a fun, friendly manner. Session includes a short off-ice warm-up to further develop the skating fundamentals. Skaters progress directly into the main CanSkate program upon mastering the PreCanSkate skills.

CanSkate: For skaters aged 5 and up who have not passed Stage 6 of CanSkate, and skaters aged 3 & 4 who have passed PreCanSkate. Upon completing Stage 4, CanSkaters can choose to remain on CanSkate sessions to complete Stage 5 & 6, OR they may complete Stages 5 & 6 during the Preliminary group figure skating sessions.

Adult/Teen CanSkate: For beginner skaters age 14 and up, interested in developing skating skills for recreational skating/exercise, or for eventually playing hockey or figure skating. Adults/teens will share the ice with youth CanSkate, BUT will be placed in their own group.

STARSkate: Figure skating for youth and adults

SELECT: Accelerated learn to figure skate program for young skaters age 5-8, by invitation or coach recommendation only. Off-ice participation is mandatory.

Select team Level 1 skaters must skate on at least **TWO** sessions per week in the 2016-17 Fall/Winter season: this Friday Select Group session is MANDATORY. Level 1 skaters must also skate on one full year CanSkate session of their choice.

Select team Level 2 skaters must skate on at least **TWO** sessions per week in the 2016-17 Fall/Winter season: this Friday Select Group session is MANDATORY. Level 2 skaters must also skate on the Wednesday evening Select Group session.

Select team Level 3 skaters must skate on at least **THREE** sessions per week in the 2016-17 Fall/Winter season: this Friday Select Group session is MANDATORY. Level 3 skaters can also skate on the Tuesday evening and Sunday morning Select Group sessions. Skating on Synchronicity Synchronized Skating Team(s) may choose to count Synchro as ONE of the THREE required sessions, and choose between Tuesday and Sunday sessions (however skating on three Select sessions are encouraged for maximum skater development).

PRELIMINARY:

Group Lessons: A skater may move to STARSkate group figure skating lessons as early as completion of CanSkate Stage 4. Preliminary STARSkaters will complete CanSkate Stages 5 & 6 in group figure skating lessons. Upon completion of CanSkate stage 6, the skater may continue to skate on a group session as a Preliminary skater until completion of the Junior Bronze Dance Test (includes Swing Dance, Fiesta Tango, AND Willow Waltz).

Private Sessions: A skater may skate on a Preliminary STARSkate private upon completion of CanSkate Stage 6 AND upon approval of the skater's private coach (due to safety reasons).

JUNIOR: Junior STARSkate consists of two levels, Junior A and Junior B.

- **Junior A:** Complete Preliminary Dance test (includes Dutch Waltz, Canasta Tango AND Baby Blues) OR Preliminary Skills successfully tested OR the skater can consistently execute and land the following jumps: waltz/salchow/toe loop

LONDON SKATING CLUB

Learn for Fun. Live to Skate. Skate for Life.

A Skate Canada member club since 1907.

- **Junior B:** Complete Junior Bronze Dance test (includes Swing Dance, Fiesta Tango, AND Willow Waltz) OR Junior Bronze Skills successfully tested OR the skater can consistently execute and land the following jumps lutz/loop/flip

Skating Qualifications, cont'd

SENIOR: Complete Junior Silver Dance test (including Keats Foxtrot, Rocker Foxtrot, Harris Tango & American Waltz) OR Junior Silver Skills successfully tested OR Junior Bronze FreeSkate successfully tested (both elements/solo) OR Junior Bronze FreeSkate Elements only IF a skater has plans to compete in an out-of-club solo or partner (pairs or dance) competition in the upcoming year that precludes completion of the complete Junior Bronze FreeSkate test.

OPEN: Session is open to ALL Preliminary, Junior, Senior and Adult STARSkaters with a private coach. Preliminary STARSkaters must have passed CanSkate Stage 5 to skate unaccompanied on this session. CanSkate (Stage 5 and under) and CanPowerSkate skaters can also skate on a portion of this ice, provided they are accompanied by a private coach at all times. CanSkaters and CanPowerSkaters (adults included) must wear a CSA approved hockey helmet until completion of CanSkate Stage 5.

ADULT: Adult skaters aged 17 and up, looking to stay fit, develop flexibility, and learn a lifelong skill. Included with the registration fee is a group stroking session conducted by a NCCP certified professional Skate Canada Coach. Time is allotted for separate Free Style and Dance segments during the session. Group and private lessons are also available to all skaters from our coaches at a fee payable to the coach at the time of the lesson.

Adult skaters with a current Skate Canada membership may also qualify to skate on any STARSkate session by contacting the London Skating Club office for current session availability and qualifications.

Required equipment: Adult skaters must wear CSA approved helmets until completion of CanSkate Stage 5.

CanPowerSkate: Power skating for hockey and ringette development

An action packed, high energy instructional power skating program geared to skaters interested in or already involved in hockey and ringette that focuses on balance, power, agility, speed and endurance. As skaters progress through the CanPowerSkate program, qualifications will change for each CanPower session.

FALL and WINTER sessions consist of 12 week long programs: 10 weeks of lessons, followed by 2 weeks for testing.

ALL new skaters to the CanPowerSkate program must sign up for Session I, and will be assessed on the first day of classes. At the coaches' discretion, a skater may be moved to Session II or III based on their skill/ability level.

Minimum Skating Requirements: Skaters must have basic forward and backward skating skills (be able to skate the length of the rink using alternate strides), and be able to stop on command without use of the boards. If skater does not meet this requirement, we recommend enrolling in CanSkate learn to skate lessons until completion of Stage 4.

CanPowerSkate Session A: Pre-Power & CanPower Level I

For CanSkaters who have passed a minimum of CanSkate Stage 4 and currently playing Tyke level hockey. Also returning skaters working on CanPower Level 1, or have not achieved Level 1 Silver.

CanPowerSkate Session B: CanPower Levels 1-2

For returning skaters that have passed a minimum of Level 1 Silver, and have not yet achieved Level 2 Gold.

CanPowerSkate Session C: CanPower Levels 3-6

For returning skaters that have passed a minimum of Level 2 Gold, and are working on Levels 3 through 6.

Don't know your game/competition schedule before the start of sessions? No problem! Renew your Skate Canada membership before the first session, and guest skate on up to 4 sessions at a per-session fee of \$20 (Session I/II) or \$25 (Session III). Enroll for the full program before the beginning of the 5th session, and the full value of guest skate fees will be applied in full toward the CanPower program fee.

Want to join the program after session start date? Pro-rated fees in effect for the first four weeks. Due to testing requirements, skaters entering the program after the 5th week will not be ready for end-of-program testing. That doesn't mean you can't still learn with us. Guest skate on up to 4 sessions at the END of the program (excluding test days) at a per-session fee of \$20 (Session I/II) or \$25 (Session III), plus Skate Canada membership fee.

Want private lessons to help improve on problem techniques?

Power Skaters may opt to purchase lessons with a private coach, by guest skating on the Friday OPEN session through Fall/Winter, for a fee payable for time skated, plus private lesson fees paid directly to your coach.

Check your coach's availability before registering for this option. Contact the office to register.
