Please note: Sessions have been organized by coaches, please check with your coach before registration to ensure the correct session is selected. Any new skaters wishing to participate, please contact the office for availability.

Please note: Due to COVID-19 has created some challenges to our practices. According to Health Canada and the City of London our protocols for opening and running our skating programs social distancing, and sanitizing is our number 1 priorities. Therefore, we have had to limit the number of skaters on ice during each session and we are NOT able to run our regularly scheduled PreCanSkate or CanSkate Level 1 or Intro to Power.

Please note: We will be monitoring registrations. If at any time the session size remains too low, we reserve the right to cancel or combine a session to keep costs at a minimum.
