Please note: This is a 3-month schedule. Due to COVID-19 has created some challenges to our practices. According to Health Canada and the City of London our protocols for opening and running our skating programs social distancing, and sanitizing is our number 1 priorities. Therefore, we have had to limit the number of skaters on the ice during each session and we are not able to run our regularly scheduled PreCanSkate or CanSkate Level 1.

Please note: We will be monitoring registrations. If at any time the session size remains too low, we reserve the right to cancel or combine a session to keep costs at a minimum.
